Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicants' Representative, Mr. Edmund J. Walsh, discussed the claim objections and rejections with the Examiner. Mr. Walsh agreed to amend the claims as the Examiner proposed. The newly submitted drawings overcome the drawing objection. After the amendments are made to the claims the application should be in condition for allowance if after an updated search no art is found to reject the claims and there are not any other claim objections and rejections.
